Information Disclosure Statement

Applicants request reconsideration of the JP references crossed out by the Examiner as an indication that these documents have not been considered.

Applicants provide an explanation of the relevance of each of the crossed out documents in the Specification on pages 1 and 2. Further, applicants submit herewith an English language Abstract for JP 11-112239 and JP-B-6-11090 (equivalent to JP-A-02-137506).
